208 We the Subscribers Inhabitants of y^e Town of Chelmsford Qualified by Law to Vote in Town affairs, Do hereby protest & Declare our Selves against a Vote past by y^e Major part of the Inhabitants of y^e said Town present at their Town meeting Now held at the meeting house in P. Chelmsford upon an adjournment Relateing to their Receiving the Report of the Selectmen, Relateing to their Laying out a Bridle way through Andrew Fletchers Land or any part thereof: and also against the Vote for accepting and Confirming the P^d Bridle way: for the Reasons following

First because it appears that y^e Selectmen did not at y^e time of their Laying out y^e P^d Bridle way, Notifie y^e P^d Andrew thereof that he might have been Consulted therein and made Such Objections (if any he had) as might have been Reasonable & Sufficient to Convince them of the Injustice of Laying out Such a way through his Land the Consequence whereof will prove So fatal to y^e Just & Legal Interest of y^e P^d Andrew or otherwise Consented to y^e Same & Said the Town from any Charge or Trouble therein. And it further Appears that not only the persons Requesting P^d way but even the Selectmen themselves are Prejudic^d in their own personal Interest (by their acting in Such a Clandistine way) & therefore not a publick Benefit

2 ly The Selectmen in y^e warning of P^d meeting did not Notifie the Town of the Contents of the P^d way: as to the Length or Breadth or in What part of y^e P^d Andrews Land y^e Same is Laid or Whether y^e P^d Andrew or his Land Belongs to y^e P^d Town of Chelmsford or that the Said Bridle way is Laid out for y^e Towns use; neither is it therein Said a Town way Nor^r doth it appear in that Shape where by y^e P^d Inhabitants are not Qualified Either by Law or Reason to act any thing thereon

3 ly The persons Requesting y^e P^d way, nor any other person Belonging to y^e P^d Town of Chelmsford have any original Lot of Land or Right Belonging to them or him or them in the P^d Town, Inviroued by P^d Andrews Land, So as to make it Necessary or Reasonable to Lay out or Except P^d way And that the whole of y^e proceedings Relateing thereto is unreasonable, & y^e warning Loose and Uncertain: And y^e P^d Andrew is in Danger of being wronged in his property & y^e Town Exposed to Cost thereby

for which as well as other Good Reasons we Desire that this our protest may be Entred with the proceedings of y^e P^d meeting &c
